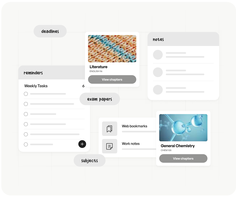
Pass with flying colors

Before Amigo

Inefficient studying leads to **wasted time and late night cramming**

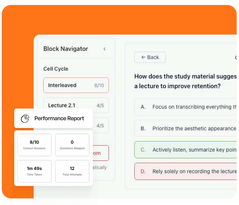


When you're juggling school, life, and exams without a system, you're **constantly anxious about falling behind**

- Cramming the night before your exam
- Inefficient study methods
- Hidden knowledge gaps

After Amigo

Intentionally designed learning system makes exam prep **effective & efficient**

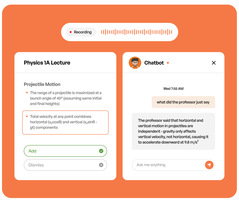


When you know what, when, & how to study, you can **rest assured knowing you're prepared for your exams**

- Intelligent spaced repetition
- Science-backed learning strategies
- Exam readiness scores

See how you succeed, step by step

Prepare → Engage → Review → Refine → Analyze



Lecture

Engage actively in class while AI handles the rest

- Record and transcribe your lectures so nothing gets missed
- Translate, explain, expand, or summarize notes with one click
- Ask questions about your lecture in real-time and get instant answers from lecture content
- AI note taker takes notes for you while you focus on understanding
